**HEARING AT ALDERMAN JOHN'S.**  
John Walsh is contending in Lackawanna township in the district which includes the Archbald. Walsh wanted to arrest Tim Quinn for an alleged assault. The constable, in looking for Quinn on Wednesday night, went into the house of Quinn's brother, John. The officer asked for Tim, and the brother said he did not want any such man as Walsh around the place, whereupon Walsh was kicked out. He waited until Quinn stuck his head out of the door and then he let fall his club, which Quinn retaliated, and the constable was worsted. Last night Quinn was brought before Alderman John on the dual charge of assault and interfering with an officer. He was held in \$500 bail to appear at court. The money was vouchered for and Quinn was released. There may be two other suits as a result of the brawl. Quinn is charged with illegally selling intoxicants and the constable charged with assault. Alexander Wescott charged a Mrs. Walsh with assault. The hearing was given last evening before Alderman John. The woman was held in \$200 bail. Both live on South Main avenue, and the assault occurred Wednesday night.

**TRIPP CROSSING VIADUCT.**  
The proposition to build a viaduct over Tripp's crossing meets with general favor on this side. It is argued that some time in the future the improvement will cost more than now owing to the probable increase of valuation of property contiguous to the point. The traction company is anxious to

at its line between Hyde Park and Belvidere and the Delaware, Lackawanna and Western company desires to abolish a bad grade crossing.

## SOUTH SIDE NEWS.

Two Bunch Men Meet With Failure on the South Side—John P. Donahoe's graduation as a Pharmacist.

Two well-dressed young men, who introduced themselves as friends of Thomas Roche, of Pine Brook, the dealer in mineral waters and soft drinks, went among the saloons of the Twentieth ward and Minooka yesterday working the flim-flam game. They would enter a saloon, call for drinks and engage the bartender in a friendly conversation about current topics. They also represented that Mr. Roche was unfortunate enough to sustain a broken leg. After conveying this information at reminding the bartender to throw as much trash as possible in Mr. Roche's way on account of his tribulation, one of them would present a \$10 bill in payment of the drink.

When he would get his change, the other fellow would break in and throw a dime on the bar as if he so accomplished as not to wish to see such a large bill broken for so trivial a purchase. In returning the change the flim-flam racket was attempted, but from all accounts it was not worked successfully in any place. They got into the wrong shop in Minooka, and were fortunate that they were not kicked out.

John P. Donahoe, of Stone avenue, graduated last night from the New York College of Pharmacy, and is expected home tomorrow. His mother, Mrs. Mary Donahoe, and his uncle, E. H. Jordan, as well as D. Mr. Donahoe has a bright and retentive mind, and in a social way he is courteous and unassuming. Chemistry is his favorite study and he may engage in that, instead of pharmacy.

## GREEN RIDGE.

The office of Alderman Bailey was the scene of a unique trial yesterday afternoon. A baseball nine of young boys from Providence and one from Green Ridge obtained the consent of Mr. Baileys to use his grounds on the corner of Green Ridge street and Penn avenue for a play ground for yesterday's game. The boys had started their game and were becoming deeply interested when Mr. Lavelle made his appearance and raised an objection to the boys playing there. To make his objection felt more by the boys he secured an officer and had them placed under arrest. When they were brought before the alderman Mr. Bailey was for once in his long career as a justice at a loss as to what to do, but at last decided to fine the boys a dollar for playing baseball and let them go. C. S. Jacobs offered to pay the fine, but the alderman refused, and after administering a sound admonition to the boys turned them loose.

## NERVOUS DYSPEPSIA.

To Cure Nervous Dyspepsia, to Gain Flesh, to Sleep Well, to Know What Appetite and Good Digestion Mean, Make a Test of Stuart's Dyspepsia Tablets.

## INTERESTING EXPERIENCE OF AN INDIANAPOLIS GENTLEMAN.

No trouble is more common or more misunderstood than nervous dyspepsia. People having it think that their nerves are to blame and are surprised that they are not cured by nerve medicines and spring remedies; the real seat of the mischief is lost sight of; the stomach is the organ to be looked after.

Nervous dyspepsia often do not have any pain whatever in the stomach, nor perhaps any of the usual symptoms of stomach weakness. Nervous dyspepsia shows itself not in the stomach so much as in nearly every other organ; in some cases the heart palpitates and is irregular; in others the kidneys are affected; in others the bowels are constipated, with headaches; still others are troubled with loss of flesh and appetite, with accumulations of gas, sour risings and heartburn.

Mr. A. W. Sharper, of No. 61 Prospect St., Indianapolis, Ind., writes as follows: "A motive of pure gratitude prompts me to write these few lines regarding the new and valuable medicine, Stuart's Dyspepsia Tablets, which have been a sufferer from nervous dys-

pepsia for the last four years; have used various patent medicines and other remedies without any favorable result. They sometimes gave temporary relief until the effects of the medicine wore off. I attributed this to my sedentary habits, being a bookkeeper with little physical exercise, but I am glad to state that the tablets have overcome all these obstacles, for I have gained in flesh, sleep better and am better in every way. The above is written not for notoriety, but is based on actual facts."

Respectfully yours, A. W. Sharper, 61 Prospect St., Indianapolis, Ind.

It is safe to say that Stuart's Dyspepsia Tablets will cure any stomach weakness or disease except cancer of stomach. They cure sour stomach, gas, loss of flesh and appetite, sleeplessness, palpitation, heartburn, constipation and headaches.

Send for valuable little book on stomach diseases by addressing Stuart Co., Marshall, Mich.

All druggists sell full sized packages at 50 cents.

## MARKET AND STOCK REPORT

Wall Street Review.  
New York, May 7.—Stocks were weaker today, the comparatively large gold exports and a special dividend account having had an adverse influence. According to foreign houses the liquidation for European account was due to the impression abroad that the candidates for the presidential nomination are not sufficiently explicit as to their position on the currency question. The effort movement of gold also induced sales for the account of European and local bear operators. The pressure to sell finally affected holders of long stock and in the late afternoon trading there were liquidating sales on the part of small holders. The transactions as of late were only moderate in volume the sales footing up 145,661 shares. The decline in prices ranged from 1/2 to 2 1/2 per cent, and was most pronounced in the Industrials, Grangers, Louisville and Nashville, Pullman Palace, Illinois Steel Consolidated Gas, Colorado Fuel, Western Union, Wheeling and Lake Erie and Michigan Central.
